Dear Candidate

**Re: AHT Head of Sixth Form**

I'm delighted that you are considering applying to join our senior team and very much hope that the accompanying Job Description and Person Specification, along with the information on our website about the school give you the information you need to decide if this is the role for you. I have been in post since September 2019 and this opportunity is created through the promotion of the current post holder to a Deputy Headteacher position. Coinciding as it does with our very positive Ofsted inspection in December 2023 it is I believe an exciting time to be joining The Norton Knatchbull School as we seek to further realise our Mission Statement and Curriculum Vision and secure the best possible outcomes for all of our students.

Our Senior Leadership Team have a range of skills and experiences and we work collaboratively albeit with rigour and challenge. Our aim is to appoint an excellent school leader to join this team – complementing and supplementing the range of skills and experience we have; with the ability to both inspire and lead, a lateral thinker able to see 'the big picture' whilst never losing sight of our commitment to inclusion.

Above all else we are incredibly proud of our students – their intellectual curiosity, their thirst for new experiences and challenges, their aspiration and ambition, their sense of humour and their compassion, and their potential to make a profound and positive difference make every day a joy.

This is a very exciting time to be working at NKS – I very much hope you sense that too and I look forward to receiving your application.

With best wishes

Ben Greene
